

Enrollment Scholarship System- 2023~2024

Steps for Application for Scholarship

Documents

Submit all documentation to support your request for Scholarship.

Examples-

List of special skills
Awards
Certificates
Volunteer activities
Additional languages spoken

All above documents should be supported by copies, statements of proof and record of study or achievement.

Essay

Each candidate is required to write an essay entirely of the candidate's original work. The essay topic is "Maximize Your Potential." Write about how receiving the Scholarship and your work towards being eligible has helped you to Maximize your own potential.

The Technical Criteria for the essay are;

- 1- The student's original work.
- 2- Between 500 and 1000 words and double spaced.
- 3- Written in a Word document with 12 point font and with page numbers.
- 4- Included with a title page for your essay with the following information:
 - A) Title of Essay
 - B) Date of Submission
 - C) Name of Scholarship
 - D) Name of School
 - E) Your Name

Overview

- 1- Each applicant should submit all regular application forms and required documents and additionally submit any supporting evidence to be considered during the Scholarship awarding process.
- 2- Only 1 successful candidate will be chosen per year. Without a successful candidate no Scholarships may be awarded.
- 3- Families will need to pay full fees initially and will receive a reimbursement for the amount of the Scholarship after the enrollment process is finished.
- 4- The Entrance Scholarship financial award is 200,000JPY for the year and awarded 1 time.
- 5- Students who receive the Entrance Scholarship are not eligible for financial award of the Honors Scholar but may be recognized with the status.

Decisions

All decisions by the school for the award or lack thereof, are final and not subject to appeal.
