

“One event that I couldn’t forget was a Ski Camp”

* This student entered Global Indian International School in 2011

1) Please introduce yourself. (Grade, How long have you been at TYiS?)

I’m in GIIS (Global Indian International School) and a 6th grader. I’ve been in TYiS for a total of 7 years.

2) What were your favorite subjects / programs at TYiS? What did you like about our teaching staff?

My favorite subject was Math. Now it is Science because in GIIS, we have a Science Lab. We have dead fish, cylinder tubes and chemicals for example: different kinds of acid solutions. We can distill water like salt, magnets, iron fillings, candles etc.

3) Please tell us about any of your memorable events / friends etc. at TYiS.

One event that I couldn’t forget was when my friends and I went to a different ski run during ski camp. Luckily, two of us turned back and were safe, but another friend kept on going. Teachers came and we talked about what happened. Eventually everyone was safe.
