1) Please introduce yourself. (Grade, How long have you been at TYiS?)

I am now attending Japanese Elementary School, and I was in TYiS for 4 years.

2) What were your favorite subjects / programs at TYiS? What did you like about our teaching staff?

My favorite subject was Reading. What I like about TYiS is that the teachers helped me to understand things more easily and they were friendly.

3) Please tell us about any of your memorable events / friends etc. at TYiS.

The Christmas concert was the most memorable event at TYiS (especially Grade 4) because we really enjoyed singing our songs.

4) How did your TYiS education help you to adjust to your current school?

The Student Learning Outcome assemblies helped me think of other people.

5) Please write about your comments / feeling about TYiS.

I think TYiS is a great school because the boys and girls are really friendly to each other. Plus, you don’t have to think the same as other students. TYiS students are very friendly to each other even though they come from different countries.
